ON AIR

WITH SAM JONES

Hired in 2016 as The LifeFM's Technical Director, Sam Jones has been a key player in helping to maintain the day-to-day operations of the network and its affiliates.

Although most of those responsibilities are behind the scenes, Sam records a mid-day program which can be heard daily on WHQA and WHQB in South Carolina.

Much of Sam's knowledge of--and experience with--sound systems and recording/production equipment has been self-taught. And just as the radio broadcasting industry has evolved from analog to digital audio technology, he has learned to adjust his skills accordingly.

PRAYER PARTNERSHIP ANNOUNCEMENT

The LifeFM Radio Ministry has recently entered into a partnership with the Billy Graham Evangelistic Association to offer a 24-hour prayer line.

The prayer line is staffed with trained pastors and counselors, who are available any time of the day or night. The Prayer Form on our website, *thelifefm.com*, is still an option. However, this prayer line will allow a caller to talk with a live person who has been trained to interact with those in need.

Please feel free to pass this information onto a friend, co-worker or neighbor who may wish to utilize this service.

TRANSMITTER WOES

Station update for WILF listeners

WILF (88.9 FM), which services SE Alabama and the Florida Gulf Coast, has suffered an outage due to a lightning strike. It is one of the largest signals in our Network, well-established in a largely-populated area.

As a result, the transmitter is inoperable, and the station has been off the air since mid-May. Our desire is to get it up and running as soon as possible.

The good news? A replacement transmitter has been located, but it will require transportation (estimated 800+ miles), installation (\$\$) and engineering expertise.

Please pray for the decisions we need to make in regard to this issue. Thank you in advance for your understanding and patience!

SCENES AND STATS FROM SPRING 2023 SHARATHON

Donations for our Spring Sharathon campaign continue to arrive daily, inching us ever-so-close to a 100% goal fulfillment. The LifeFM would like to thank everyone who contributed to its success.

No matter the size of the financial gift that was pledged or received, we appreciate the sacrifice that was made, and the prayers lifted on our behalf. We truly have the best listening audience in the world!

God has been so good to The LifeFM Ministry. We give Him the glory for what was accomplished this season and anticipate more blessings!

Tribute Quartet's Josh Singletary, (pictured here with Super Dave and Sam) brought his unique energy and enthusiasm.

Local pastor, Travis McAlister, spent time in the studio, helping with on-air appeals. Did Rodney know we were going to make our goal of \$320,000? It appears so!

Sharathon runs much more smoothly with the help of efficient volunteers. Pinnacle Bank representatives, Seth Hunter and Brett Robinson, showed up to provide service with a smile.

NOTE: Donations to The LifeFM can be given all-year round, not just during Sharathon time! More information, including a pledge card, is provided for your use on the back page of *The LifeLine*.

Spotlight on Sam Jones, Technical Director at The LifeFM

(continued from page 1)

Sam & Erin met while in college and have been married for 22 years.

where more ministerial opportunities arose.

More about Sam: he was born and raised in Bassett, VA.

After receiving his Bachelor of Theology Degree from Tabernacle Baptist College, Greenville, SC, in 2004, he relocated to Mission, TX, to pastor a church and manage a gospel radio station.

Sam and his family moved back to the Greenville area in 2006,

Sam and Erin are the proud (and busy) parents of five young adults. Pictured left to right are: Bryson (20), Ashlyn (16), Hudson (13), Madeline (14) & Landon (18).

Prior to coming on staff at The LifeFM, Sam got involved in church planting and had worked at a local, Christian radio station. Sam and his family reside in Simpsonville and are members of Fellowship Greenville Church, where Sam sings and plays bass guitar in the worship band.

Radio listeners can tune in and identify with Sam's heart for ministry. He has been an asset to The LifeFM Radio Ministry. We look forward to many more years of his service!
