A SPECIAL MESSAGE

"We are so thankful for God's provision during our Fall Pledge Drive.

So many gave sacrificially to sustain The LifeFM during the upcoming months.

More than ever, we saw how God enables His people to give when they take a step of faith."

FALL 2023 RESULTS

We serve a great God! The LifeFM's Fall Sharathon was held October 25-27, and it was, as always, a time of excitement and refreshment. We heard from many new donors too. We have the best listening audience in the world!

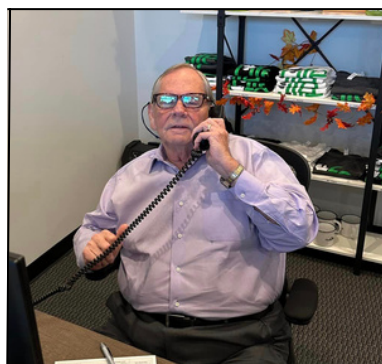

Testimonies which focused on God's goodness and continual provisions, were shared; pledges were renewed; and multiple one-time gifts of \$100 were generously recorded. The LifeFM is so thankful for those who participated in this bi-annual event, a necessity for our non-profit organization, which relies one hundred percent on its financial support.

Praise God-we surpassed our \$200,000 goal! The meter is depicted on page 4.

Sharathon takes a bit of coordinating. We were pleased to have the following individuals join us and assist with on-air appeals: Comedian Mickey Bell, Karen Peck and New River, and motivational speaker/singer Tim Lovelace.

Thank you to all of our hard-working volunteers- there are too many to mention here. We couldn't have done it without you! We appreciate your help.

In the Spotlight

“SUPER DAVE” GARRETT PROMOTIONS DIRECTOR/RADIO HOST

LifeFM employee David Garrett is a familiar voice to many of our listeners and a familiar face to local concert-goers. We decided to do a Q & A - style of getting to know more about this faithful team member...

How long have you been working at The LifeFM?

I started out as a volunteer shortly after WHQA (103.1 FM) came on the air in 2015. In 2018, circumstances worked out for me to join The LifeFM as a Project Coordinator.

What are your responsibilities?

My job title is Promotions Director, and I host a show, *Gospel Nights with Super Dave*, on The LifeFM Network from 9:00 PM (EST) until midnight. I also handle all social media accounts for the network.

Have you always been a Southern Gospel music enthusiast?

I love all genres of music. I was introduced to Southern Gospel at a young age by my grandmother. My all-time favorites are The Cathedrals and Ivan Parker.

Please share a little more about your personal life...

I married Jonene in 1996. We are members of the choir and special music ministry at Rock Springs Baptist Church in Easley. We sometimes sing and lead worship at other local churches too. We love to travel to the beach and are passionate Clemson football fans. (editor's note: Dave is *serious* about his football!)

How has working at The LifeFM affected you?

One thing it did was make me check my own walk, because I feel it's a big responsibility to be on the air, and try to uplift others. It's almost like delivering a sermon every night. Sometimes that thought can be overwhelming. I try to think about those listening and what they may be going through, but many times what comes over the airwaves is what God is trying to teach me personally.

Thanks, David, for all you do at The LifeFM!

Station Update on WILF-88.9 FM

We have good news for our Alabama and Florida listeners! Some progress has been made - in regard to WILF !

Earlier this year, storm damage had completely taken out the radio transmitter at our Castleberry, Alabama, site. Locating and transporting a replacement piece, plus additional needs for engineering and maintenance, have unfortunately dragged this project into the last quarter of 2023.

At present, there is a low power signal emitting from the tower site. It carries a signal strength of 300 watts, which extends to a radius of about 10-15 miles. When at its former, full strength, WILF could maintain a signal of 80,000 watts.

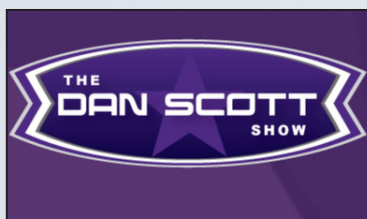

Please pray for this repair work to be effective, and that it can be resolved by the start of a new year? We appreciate your patience as we address the ongoing issues. In the meantime, listeners can listen via the live-stream at thelifefm.com.

MERRY CHRISTMAS FROM THE LIFE FM!
