LET'S GET TECHNICAL!

WITH
GLEN PITTMAN

Does your computer have a glitch? Need a phone line installed or repaired? Has The LifeFM live stream lost its signal? Have no fear-Glen Pittman is here!

The LifeFM relies on its trusty Station Engineer for practically 99.9% of its ongoing technological needs at radio headquarters in Piedmont, SC. Glen additionally services The LifeFM's transmitter sites in nine other states.

We are probably making Glen sound like a super-hero...and he is! Here's our opportunity to introduce him to our listeners and familiarize you with the multiple aspects of his job.

Glen's ability to work with his hands started long before he came to work at The LifeFM. Earning an automotive technology degree helped to hone the skills he now utilizes on a regular basis. There isn't a technological challenge he isn't afraid to tackle! Glen confirms that most of his abilities have been self-acquired, learning through experience.

A FRESH NEW LOOK!

The LifeFM logo has gotten a make-over!

"We have brought 'new life' to the old LifeFM logo," answers LifeFM General Manager, Rodney Baucom, when asked about the recent change. The brand still contains the symbolic dove, used on merchandise and the online app.

Living Life Together has been The LifeFM's encouraging motto and will continue to remind listeners that Jesus is the Giver of Life, and it is abundant and free!

Many thanks to Trey Harvard, graphic design specialist at International Plastics, Inc., Greenville, SC, for the design work.

Rodney and Reagan spend a majority of their time at NQC recording live content for the network.

Here they are taking a break with soloist and friend of The LifeFM, Joseph Habedank.

LifeFM radio host, Tom Rusk, and Karen Peck, smile sweetly for the camera at NQC 2022.

Spotlight on Glen Pittman, Life FM Station Engineer

(continued from page 1)

Glen is an avid mountain biker, averaging 1,500 miles a year on local trails.

Also a fishing enthusiast, Glen is pictured (above) with a fresh-water striped bass at Douglas Lake Dam in Sevierville, TN. Pictured below, Glen enjoyed a boating/fishing trip with Rob five weeks after Rob's liver transplant surgery in March 2012.

Glen was born and raised in upstate South Carolina. He resides in Greer with his wife, Ann, and Callie, their four-legged child (a Lab mix).

In 1997, Glen crossed paths with LifeFM's President, Rob McClure, at a striper fishing tournament. Having common interests in boating, fishing and technology, they formed a close friendship that sustained many years, until Rob's passing in 2021.

Rob asked Glen to come work for Zeracom, LLC, a telecommunications company that he owned and operated. Eventually, those duties crossed over into the radio-broadcasting industry.

Glen has been a vibrant part of the growth and advancement seen at The LifeFM, since its implementation. Technology is constantly changing, and Glen has been a dependable resource for navigating those transitions involving radio ministry.

Glen is a Southern Gospel music fan and says, "there is a sense of satisfaction" that comes from working for The LifeFM, recognizing the impact it has on its listening audience. "Hopefully, doing what we do here (at The LifeFM), makes their day better."

Thanks for all you do, Glen!

Rob spoke very highly of Glen's talent in the intel, communication/ technology fields. He knew Glen would be an asset to The LifeFM.

The LifeFM staff would like to express its most sincere condolences to its beloved coworker, Louise Kay, on the sudden loss of her husband.

Louise and Terry were married for 35 years, and were parents to Danielle and grandparents to Audrey, Scarlett and Eliza.

Terry was well-loved and known for his easy-going nature, story-telling abilities and a Christ-like compassion for others. Please keep the Kay family in your prayers. Thank you.

Other Recent Home-goings:

Over the past few months, a number of LifeFM personnel have had to say "good-bye" to a family member. What a great comfort it is to know that their loved one is absent from the body and now present with the Lord! (2 Corinthians 5:8)

Please keep the following families in your prayers, for PEACE, COMFORT and DECISION-MAKING in the days ahead:

SAM & ERIN JONES: Erin's mother, Patti Kelley, passed on 7/25/23, following a short-term health crisis. She has six grandchildren - five of which are Sam and Erin's kids.

RODNEY BAUCOM: Rodney's father, Donald Reid Baucom, of Indian Trail, NC, peacefully left this world on 6/30/23. He was greatly loved, and therefore, will be greatly missed.

DENNIS SMITH: Dennis' mother, Edith Marie Smith, lived a long, fruitful life and met her Savior on 4/7/23. Her testimony was one of serving others and exemplifying Christ.

HEAVEN JUST GOT SWEETER!
