We hope to hear from you!

Southern Gospel music fans all over the country are grieving the sudden and tragic deaths of Kelly Nelon and Jason Clark, their daughter Amber, and her husband, Nathan Kistler. Product manager Melodi Hodges, pilot Larry Haynie and his wife, Melissa, were also killed. The July 26 plane crash left no survivors, and the National Transportation Safety Board is still investigating.

Autumn Nelon Streetman is the youngest member of the music group and was traveling separately with her husband, Jamie. They are expecting a baby boy in December. At the Celebration of Life service on August 6, Autumn shared how the loss has impacted her. "Even though my heart is breaking, and tears flood my eyes, I believe that God gives us something worth trusting, and that is Him, and Him alone," said Autumn.

Please keep Autumn and Jamie, the Clark, Kistler and Haynie families, and the family of Melodi Hodges in your prayers.

Hey! Monthly Donors

Wanna Go Paperless?

By now, many are aware that the US Postal Service has increased the cost of a first-class stamp from 68 to 73 cents.

For those who wish to avoid these added expenses, The LifeFM would like to offer an alternative payment method.

Automated Clearing House (ACH) is a way to move money between banks without paper checks, credit card networks or cash. There are no additional fees, and it is beneficial for all involved.

An email is required for set-up, since all receipts are generated electronically.

A specific date can be selected for the recurring withdrawal, and a year-end giving statement will be provided via mail for your 2024 tax records.

If you are currently mailing in a monthly pledge payment and interested in going paperless, contact our Donor Relations Department at:

877-700-8047 x150

or info@thelifefm.com
